The Legislature has decided that TCOLE will be buying TCLEDDS. Six new FTE's will be added to the Curriculum Division. The focus will be to update existing courses and expand online training. There was discussion about the Commission meeting more often than the quarterly meetings.

Enforcement and Special Services Director Michael Antu talked about the launch of the new Learning Management System with collaboration from Texas A&M and TEEX. TCOLE is in the final stages of getting the shopping cart back online. Director Antu gave numbers on how COVID affected students and hours of training. Both had a slight decrease. Racial Profiling is closed, and 13 agencies received reprimands. With the purchase of TCLEDDS, all agencies will receive TCLEDDS Plus at no charge.

Credentialing and Field Services Director Cullen Grissom gave the number of out of state, federal, and military applications that had been approved in the previous and current fiscal years. The second notice of pending noncompliance has been sent out. The COVID shutdown did not have a significant impact on the pending noncompliance. There was discussion about prioritizing curriculum to be updated in the future, and online training as well as the guidelines for a training provider to offer online training. Director Antu added that a Distance Education Manual is on our website and available for download. The New Training Coordinator Training is being taught around the state. The next class is June 9 and another in August.

Government Relations Director Gretchen Grigsby gave an update on the legislative session and the bills that have passed and are on the Governor's desk ready for signature. Twelve bills of the 85 filed affecting TCOLE passed. We will be purchasing TCLEDDS pending approval from the Legislative Budget Board and the Department of Information Resources.

Finance Director Brian Roth gave an update on the grant progress. TCOLE has two active grants. The curriculum update grant is eighty percent complete and a school marshal grant that is fifteen percent complete. The annual agency risk assessment, quarterly performance measures, agency workforce plan, and contract and procurement manual have been submitted.

Assistant Presiding Officer Hester relayed information from Presiding Officer Lemaux. The Presiding Officer is requesting from TCOLE staff an increase in regular communications between Commission meetings, increase and enhance communications with our stakeholders, an increase in Commission meetings, and establishing a Strategic Planning Committee with an annual Strategic Planning meeting.
